Chapter 1 : Splitting Pennies Understanding Forex

The foreign exchange market (forex, fx, or currency market) is a global decentralized or over-the-counter (otc) market for the trading of currencies. The market determines the foreign exchange rate and includes all aspects of buying, selling and exchanging currencies at current or determined prices. In terms of trading volume, it is by far the largest market in the world, followed by the credit Retail forex traders contribute very small amount into nearly \$5.3 trillion daily turnover holding global fx market. As per the latest report in December 2013, retail trading accounted for 3.5% and 3.8% of total and spot turnover, respectively. Notice: although this Canadian online stock brokerage review/comparison is dated back to Dec 2006, the information below is updated regularly. As an update and side note, almost all discount brokerages are very competitive with low trading fees (under \$10/trade). In addition to trading fees, keep the numbers get bigger and converge around 2.718. hey... wait a minute... that looks like e ! yowza. In geeky math terms, e is defined to be that rate of growth if we continually compound 100% return on smaller and smaller time periods. This limit appears to converge, and there are proofs to that effect. But as you can see, as we take finer time periods the total return stays around 2.718. Port Manteaux churns out silly new words when you feed it an idea or two. Enter a word (or two) above and you'll get back a bunch of portmanteaux created by jamming together words that are conceptually related to your inputs. For example, enter "giraffe" and you'll get back words like "gazellephant" and "gorilldebeest". John and Arthur were the first ones to email me notes in the morning. That was followed by a text from Tony, then a tweet from Garrett at one of the big banks. And so it went. Different locations, various devices, differing connections, same message. "I was at the Algonquin Park Visitor Center on Andrew Hallam. I'm a financial columnist for Canada's national paper, the Globe and Mail, as well as for Assetbuilder, a financial service firm based in Texas.
