## Chapter 1 : The Tuareg The People Of The Ahagger

Tuareg people: africa's blue people of the desert the tuareg (twareg or touareg; endonym imuhagh) are group of largely matrilineal semi-nomadic, pastoralist people of berber extraction residing in the saharan interior of north-western africa. The image of the tuareg as a fundamentally nomadic people is no longer true. 2. the tuareg are mixed with other groups everywhere, and the vast majority of the villages are multicultural and multiethnic. only the extreme north the "tuareg question" in mali today Tuareg nationalism and cyclical pattern of rebellions: how the past and present explain each other oumar ba march 2014 the sahel research group, of the university of florida's center for african studies, is a collaborative effort to The tuareg in the modern world: a new generation the tuareg, known amongst themselves as the kel tamasheq and often called the "blue men of the desert" by outsiders, have long been recognized as warriors, traders and travelers of the sahara desert - as a people of grace and nobility as well as fighters of fierce reputation. Tuareg or "people of the veil" had occupied central saharan africa by the calligraphy and architecture of the nomadic tuareg within the geometric context of islam a map of the region highlighting the the calligraphy and architecture of the nomadic tuareg within the geometric context of islam. The tuareg are an ethnic branch of the berbers but also have members of arab and black african ancestry. often referred to as the "kurds of the sahel," they are a stateless people with their own language and culture, spread across several countries in central sahara and the sahel. the tuareg people have historical connections to the The tuareg themselves are 'moving global' - and increasingly switching between nomadic and urban, more sedentary, living. while the lives of the tuareg are transformed in an increasingly globalized world, they show themselves to be a people linked by their creative abilities to adapt and interact with the world around them. this

Understanding mali's "tuareg problem" one recurring subject was the tuareg people and their place in the malian nation. various non-malian participants spoke of the need to grant the tuareg some kind of autonomy, while malians in the room rejected such an arrangement. at one point a malian graduate student in The tuareg rebellion in northern mali involved both military and civil leadership. from 1994 to 1997, he commanded mali's military region (the area around the million people into five or six separate ethno-linguistic groupings, with many distinct peoples and several dozen Reflections on myth and history: tuareg concepts of truth, "lies," and "children's tales" susan j. rasmussen although tuareg women traditionally enjoy high prestige and economic called the people of solitude or the wild (kel essuf), require beautiful Colonial accounts mention a group of people collectively known as berbers living in northern tunisia, libya, and egypt, with mainly tuareg berbers living in mauretania, niger, mali, and burkina-fasso. two-thirds of berbers live in rural and mountainous areas, most being farmers. prior to independence in 1956, half of morocco were berbers Treasures of the desert a visitor study of art of being tuareg: sahara nomads in a modern world at the national museum of african art (29 percent of all visitors)—was an interest in seeing or learning about the tuareg people and culture. activities in exhibition Trauma- and stressor related disorders in the tuareg refugees of a camp in burkina faso m.g. carta<sup>1,\*</sup>, f. wallet oumar<sup>1</sup>, m.f. moro<sup>1</sup>, ties will be experienced further by the tuareg people in mali, and these foreseen difficulties make prospects of their immediate return very unlikely.

The tuareg the tuareg are a group of mostly nomadic people who live in northern africa. they divide themselves into five strictly defined social classes. nobles own land and camels, and rule the confederations or political alliances. vassals farm and graze their herds on land managed by nobles. and, although slavery was abolished in the
